## PRODUCT CATALOG

# A WORD FROM PERMATEx

*Since 1909, Permatex products have been used in workshops, garages, service stations, and at racetracks around the world, paving the way for today's innovative product technologies. The Permatex brand has become synonymous with the word "trusted".*

From its performance on racetracks to automotive maintenance and repair solutions, Permatex products are designed for both the Professional and Do-It-Yourselfers alike. The iconic Permatex brand and its enduring legacy continues to stand the test of time to meet the demands of its end-users.

**Made For The Professionals, By The Professionals.**

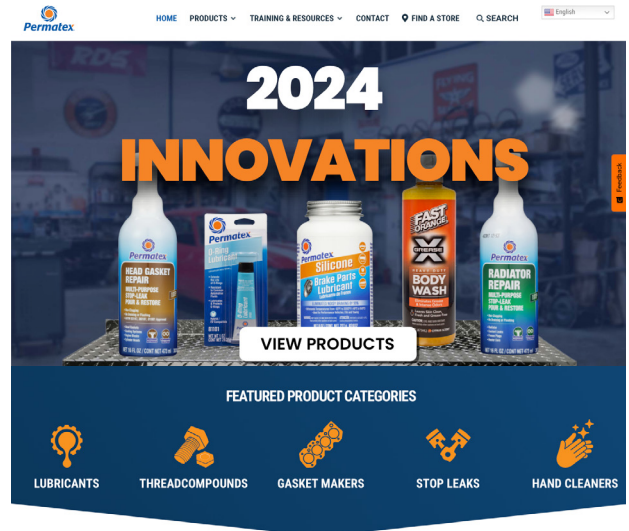

## OUR WEBSITE

Permatex.com is more than just a website, it's a one-stop shop for automotive enthusiasts and professionals alike. Users can navigate through the Product Solution Quiz or binge-watch the latest Permatex motorsports video series.

Permatex.com offers users with a seamless experience with its robust retail finder. Users can easily shop online through their favorite retailers' website or search for the nearest retail location. The easy-to-follow product pages include Safety Data Sheets and Tech Docs along with how-to videos and detailed images to help users get the job done right the first time.

# OVER A CENTURY OF INNOVATION

Mr. Benoit attended a 24-hour endurance race at the Sheepshead Bay track near his Brooklyn, New York laboratory. He saw that many of the cars were making frequent pit stops to replace blown cylinder head gaskets. The mechanic for driver Ralph DePalma's car sought Mr. Benoit's help after DePalma's car blew its head gasket for the fourth time. Mr. Benoit applied some of his experimental gasket cement and the DePalma car drove the rest of the 24-hour race without any further gasket problems. On that day, Permatex entered the automotive maintenance chemicals business.

Permatex founded by Constant A. Benoit Sr.

American stock-car driver and mechanic Bill France, Sr., assembled a racing engine using only Permatex® Form-A-Gasket

Constant Benoit died and his son Pete took over the Permatex Company.

## 2023 NEW PRODUCTS:

## 2024 NEW PRODUCTS:

Pete shifted the company's manufacturing plant from Brooklyn, New York to Kansas City to take advantage of a more central shipping location.

Pete moved the company headquarters to West Palm Beach. Soon the Permatex Company built a 12,000 square foot corporate and international sales office in West Palm Beach.

Permatex 300 becomes the second race on the NASCAR schedule named for a corporate sponsor. The Permatex 300 NASCAR race at the Daytona International Speedway became one of America's premier racing events.

# 1954

Manufacturing moves to Kansas City, MO

Headquarters moves to West Palm Beach, CA

# 1962

# 1966

Permatex®300 named as NASCAR Corporate Sponsor

# 1972

Permatex Company sold to Loctite Corporation, moved to Cleveland, Ohio and integrated with the Woodhill Chemical Co.

## Mid 1970's

NASCAR superstar Bobby Allison built a late model Chevrolet sportsman engine entirely with Permatex threadlockers. The car, built without a single cut gasket or lock washer, ran 300 miles at Alabama International Motor Speedway (Talladega)

## Late 1970's

Woodhill Permatex launched Permatex® Blue Silicone which went on to become the largest selling blister carded chemical item in the American auto parts business.

Permatex finalized the acquisition of the Permatex International Business from Loctite.

DL Banite, Inc. becomes part of the Permatex line. Later that year, Permatex launched Fast Orange® citrus hand cleaners, a staple of the Permatex product line and a standard of the emerging citrus hand cleaner industry.

Woodhill Permatex division moved to a brand new 175,000 square foot facility with over 100 employees

# ***GASKET MAKERS***

# BLACK GASKET MAKERS

Highly flexible RTVs for use on dissimilar metals that can heat and cool at different speeds.

Ideal for wide bolt patterns in oil pans, timing covers, valve covers, transmission pans and differential covers.

## ULTRA BLACK®

Retains high flexibility and oil resistant properties through use of a patented adhesion system. Sensor safe, low odor, and non-corrosive with resistance to oil, shop fluids, and vibration.

Item #	Product Size / Type	Pack
22072	.5 OZ tube, carded	6
82180	3 OZ tube, carded	12
82080	8.75 OZ power can	6
85080	9.5 OZ PowerBead™ can	6
24105	13 OZ cartridge	12

## OPTIMUM EASY DISSASSEMBLY BLACK

This gasket maker forms a strong, flexible seal for automotive and industrial use, resisting oil, coolant, and high temperatures. It allows for easy disassembly and eliminates the need for traditional gaskets.

Item #	Product Size / Type	Pack
27037	3 OZ tube, carded	12
27237	12 OZ cartridge	12

## THE RIGHT STUFF® BLACK 90 MIN.

This 90-minute gasket maker provides the fastest return to service, forming a leak-proof, blowout-resistant seal that withstands vibration, thermal expansion, and harsh chemicals. Ideal for high-temperature automotive and industrial use.

Item #	Product Size / Type	Pack
25228	3 OZ tube, carded	12

## THE RIGHT STUFF® BLACK 1 MIN.

In just one minute, this gasket maker forms a durable, leak-proof seal, offering the fastest curing time. It resists oil, coolant, and chemicals, providing blowout protection and preventing leaks from vibration and thermal expansion.

Item #	Product Size / Type	Pack
25229	3 OZ power can, carded	6
25223	4 OZ power can	6
29208	5 OZ cartridge	6
25224	7 OZ power can	6
85224	7.7 OZ PowerBead™	6

## **THE RIGHT STUFF® BLACK 1 MIN. KIT**

This leak-proof, elastomeric “Formed-in-place” material is more reliable and longer lasting than pre-cut gaskets. It is blowout resistant and protects against leaks and seepage caused by vibration and thermal expansion.

Item #	Product Size / Type	Pack
99070	5 OZ cartridge, 2 pack w/ caulking gun	4

# GREY GASKET MAKERS

Formulated for high vibration, rigid assemblies, and close bolt pattern applications.

**Ideal for valve covers, timing covers, water pumps, intake manifold end seals, and thermostat housings.**

## ULTRA GREY®

Specified for high torque and high vibration applications. Offers a sensor-safe, low odor, non-corrosive formula that is OEM specified to fit dealership warranty requirements.

Item #	Product Size / Type	Pack
22074	.5 OZ tube, carded	6
82194	3 OZ tube, carded	12
85084	9.5 OZ PowerBead™ can	6
82195	13 OZ cartridge	6

## OPTIMUM EASY DISASSEMBLY GREY

Seals strong and removes fast. Designed for maximum torque load and vibration resistance; typically used in import vehicles with closer bolt hold spacing.

Item #	Product Size / Type	Pack
27036	3 OZ tube, carded	12
27236	12 OZ cartridge	12

## THE RIGHT STUFF® GREY 90 MIN.

Forming a strong, leak-proof seal in 90 minutes, this grey gasket maker ensures the fastest return to service. It provides excellent resistance to oil, coolant, and chemicals, while protecting against leaks caused by vibration and thermal expansion.

Item #	Product Size / Type	Pack
34328	3 OZ tube, carded	12

## THE RIGHT STUFF® GREY 1 MIN.

This grey gasket maker cures in just one minute, providing a fast, durable, and leak-proof seal. It offers excellent resistance to oil, coolant, and chemicals, while protecting against leaks from vibration and thermal expansion.

Item #	Product Size / Type	Pack
25238	3 OZ power can, carded	6
34311	5 OZ cartridge	6
85144	7.5 OZ PowerBead™ can	6
34310	10.1 OZ cartridge	6

# RED GASKET MAKERS

Specially formulated RTVs for high temperature applications to withstand frequent thermal cycling.

Ideal for headers, exhaust manifolds, turbochargers, and slip-fit exhaust parts.

## ULTRA RED®

High-performance low-odor formulation, outperforming the previous gen. Red RTV. Resists temperatures up to 650°F (343°C).

Item #	Product Size / Type	Pack
81630	3 OZ tube, carded	12
81624	13 OZ cartridge	12

## OPTIMUM EASY DISASSEMBLY RED

Reduces the time it takes to disassemble the engine or parts. Apply as normal and when it comes time to take apart, all you have to do is loosen the parts from each other and peel away the gasket maker with your fingers.

Item #	Product Size / Type	Pack
27038	3 OZ tube, carded	12
27238	12 OZ cartridge	12

## THE RIGHT STUFF® RED 90 MIN.

This red gasket maker cures in 90 minutes, providing a durable, leak-proof seal for high-temperature applications. It resists oil, coolant, and chemicals, offering blowout protection and preventing leaks from vibration and thermal expansion.

Item #	Product Size / Type	Pack
34628	3 OZ tube, carded	12

## THE RIGHT STUFF® RED 1 MIN.

Curing in just one minute, this red gasket maker offers a fast, reliable seal for high-temperature applications. It resists oil, coolant, and chemicals, and protects against leaks caused by vibration and thermal expansion.

Item #	Product Size / Type	Pack
34423	3 OZ power can	6
34425	5 OZ cartridge	6
34426	7.5 OZ PowerBead™ can	6
34424	10.1 OZ cartridge	6

# SPECIALTY GASKET MAKERS

Choose from specialized formulas that offer extra protection for applications requiring unique sealing properties.

**Ideal for applications that require specific sealing properties or performance in extreme conditions.**

## MOTOSEAL®

Fuel resistant formula designed for two and four cylinder engines. Ideal to use on motorcycle case halves and carburetor gaskets.

Item #	Product Size / Type	Pack
29132	2.7 OZ tube, carded	6

## AUTOMATIC TRANSMISSION

Offers improved transmission oil resistance and good adhesion while retaining flexibility. It is sensor safe, non-corrosive and can be used as a gasket maker or dressing.

Item #	Product Size / Type	Pack
81180	3 OZ tube, carded	12

## GEAR OIL

Specially formulated to withstand the harsh gear oil environment found in differentials and transfer cases, ensuring a leak-proof seal.

Item #	Product Size / Type	Pack
81182	3 OZ tube, carded	12

## WATER PUMP & THERMOSTAT

Non-corrosive, sensor-safe RTV silicone gasket material formulated for water pumps and thermostat housings.

Item #	Product Size / Type	Pack
22071	.5 OZ tube, carded	6

## GASKET REMOVER

A powerful gasket remover with an innovative delivery system, its fast foaming action to penetrate the most stubborn or baked on chemical gaskets in 15-20 minutes.

Item #	Product Size / Type	Pack
80645	4 OZ Powercan, brush-tip nozzle, stand-up carded	6

## ULTRA BLUE

A multi-purpose sensor-safe, low-odor, non-corrosive RTV gasket maker. Tested to OEM specifications and outperforms conventional silicones.

Item #	Product Size / Type	Pack
81724	3 OZ tube, carded	12

## ULTRA COPPER

High temperature RTV gasket maker, resisting temperatures up to 700°F (371°C). Tested to exceed OEM specifications and is ideal for high temperature applications such as turbocharger applications.

Item #	Product Size / Type	Pack
81878	3 OZ tube, carded	12

## SHORT CAULKING GUN

Preferred for use with cartridge-style gasket makers, available in a short design for use in tight spaces.

Item #	Product Size / Type	Pack
800368	Short caulking gun	6

## PLASTIC SAFERSCRAPER

This multi-use tool is ideal for safe gasket maker and adhesive removal. Designed to reduce accidental damages caused by traditional metal razors.

Item #	Product Size / Type	Pack
80191	Long handled scraper & 6 refillable blades, carded	12

# GASKET SEALANTS

When a chemical gasket is not an option, Permatex offers a wide range of gasket sealants suitable for applications on both import and domestic vehicles for any model year or performance caliber.

**Ideal for enhancing gasket performance, filling surface imperfections, and ensuring a leak-proof seal in automotive, industrial, and mechanical applications.**

## PERMASHIELD GASKET DRESSING & FLANGE SEALANT

Specially formulated for superior fuel resistance. This polyester urethane based gasketing compound withstands extreme temperature changes without hardening.

Item #	Product Size / Type	Pack
85420	2 OZ tube, carded	6

## FORM-A-GASKET® NO. 1 SEALANT

A fast drying, hard setting sealant designed for sealing rigid materials and flanges.

Item #	Product Size / Type	Pack
80007	1.5 OZ tube, carded	12
80008	3 OZ tube, carded	12

## FORM-A-GASKET® NO. 2 SEALANT

A slow-drying, non-hardening sealant that is resistant to gasoline, oil and grease.

Item #	Product Size / Type	Pack
80015	1.5 OZ tube, carded	12
80016	3 OZ tube, carded	12

## AVIATION FORM-A-GASKET® NO. 3 SEALANT

Slow-drying, non-hardening brush top sealant approved for use in aviation as well as automotive applications.

Item #	Product Size / Type	Pack
80019	4 OZ bottle	12
80017	16 OZ bottle	12

## **COPPER SPRAY-A-GASKET<sup>®</sup>** **HIGH-TEMP SEALANT**

Fast-drying, metallic copper sealant that helps dissipate heat, preventing gasket burnout and improving heat transfer.

Item #	Product Size / Type	Pack
80697	12 OZ aerosol can	12

## **HIGH TACK<sup>™</sup> SPRAY-A-GASKET<sup>®</sup>** **SEALANT AEROSOL**

Fast-drying, all-purpose sealant that dries to a highly tacky, non-brittle film. With simple spray this sealant remains tacky indefinitely and can be applied in advance for convenience in assembly.

Item #	Product Size / Type	Pack
80065	12 OZ aerosol can	12

## **HIGH TACK<sup>™</sup> GASKET SEALANT**

All-purpose, fast-drying sealant that dries to a highly tacky, non-brittle film. Remains tacky indefinitely can be applied in advance for convenience in assembly

Item #	Product Size / Type	Pack
80062	4 OZ brush-top can	12
80063	16 OZ brush-top can	12

## **SUPER HIGH TACK<sup>™</sup>** **GASKET SEALANT**

Non-hardening gasket sealant designed for easy disassembly and for keeping large gaskets in place during positioning and assembly.

Item #	Product Size / Type	Pack
80060	1.75 OZ tube, carded	12

## **GASKET SHELLAC COMPOUND**

Original formula, hard setting, economical sealant that works with common gasketing materials in low temperature and low pressure applications.

Item #	Product Size / Type	Pack
20539	2 OZ bottle	12

# ANAEROBIC GASKET MAKERS & SEALANTS

Designed for tight-tolerance rigid machine surfaces, these gasket makers and sealants seal gaps smaller than 0.015" with precision and reliability.

**Ideal for machined metal surfaces such as transmission case halves and covers, gear cases, and pump houses.**

## ANAEROBIC GASKET MAKER

Noncorrosive gasketing material designed primarily for use on aluminum, iron, and steel flanged mating surfaces. Ideal for on-the-spot and emergency repairs, or when a conventional gasket is unavailable.

Item #	Product Size / Type	Pack
51817	6 ML tube, carded	12
51813	50 ML tube, carded	6
51845	300 ML cartridge	10

## ANAEROBIC FLANGE SEALANT

Flexible, high-performance gasket material designed for use on rigid machined flanges with gaps less than .015 inches. This sealant cures in the absence of air, eliminating the need for preformed, pre-cut, paper, rubber, and cork gaskets.

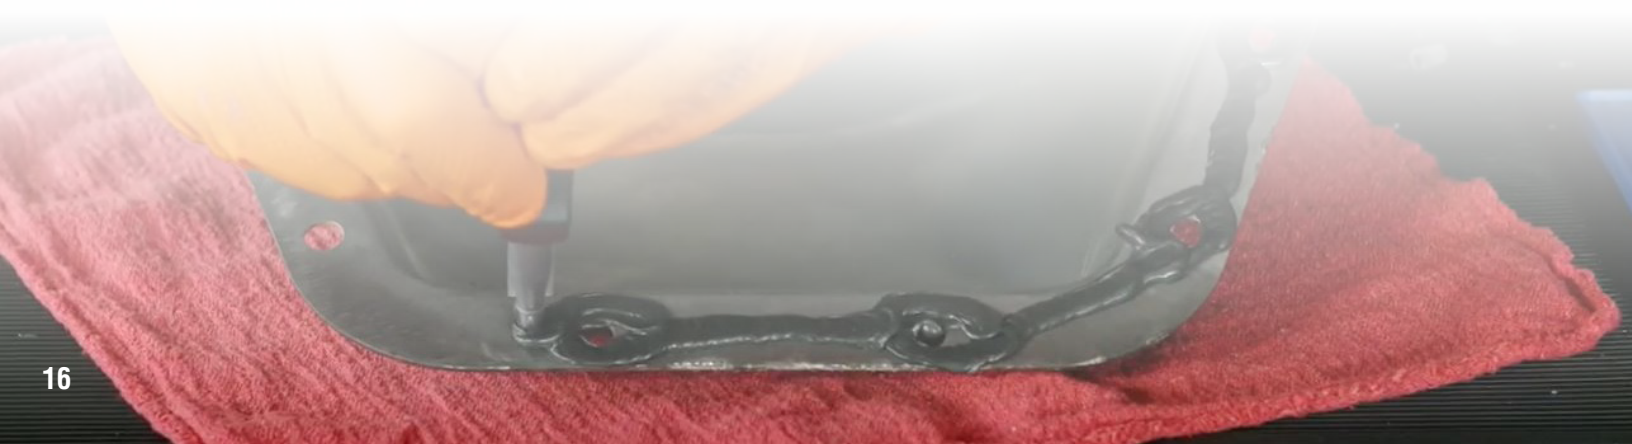

Item #	Product Size / Type	Pack
51531	50 ML tube	10
51580	300 ML cartridge	10

## HIGH TEMP ANAEROBIC FLANGE SEALANT

Able to withstand temperatures to 400° F, this sealant fills gaps up to 0.020" and permits clamping loads to be maintained for strong, leak proof assemblies.

Item #	Product Size / Type	Pack
51031	50 ML tube	10

# ***THREADLOCKERS***

# RED THREADLOCKER

Perfect for heavy-duty applications ranging from 3/8" to 1" (10mm to 25mm), red threadlocker is specifically designed for permanently locking studs and press fits. This high-strength adhesive effectively locks and seals threaded fasteners, making it ideal for use in heavy-duty environments.

**Ideal for securing heavy-duty fasteners that require maximum strength, preventing them from loosening due to vibrations or stress.**

## HIGH STRENGTH

Provides 3,000 PSI holding power for slip and press-fit assemblies, creating a permanent bond that may require heat or special tools for removal.

Item #	Product Size / Type	Pack
27100	6 ML tube, carded	12
27110	10 ML bottle, carded	6
27140	36 ML bottle, carded	6
27150	50 ML bottle	6

## HIGH STRENGTH GEL

The gel formula offers the same trusted performance as liquid threadlocker red, with added control to prevent drips, mess, or waste. Perfect for vertical or overhead applications.

Item #	Product Size / Type	Pack
27005	5 G Gel Squeeze™ applicator, carded	6
27010	10 G Gel Twist™ applicator, carded	6
27835	35 G, tube, carded	6

## PERMANENT STRENGTH

Provides superior bonding and durability, making it ideal for critical applications and extreme conditions. Designed for situations where disassembly is not expected, ensuring maximum strength and reliability.

Item #	Product Size / Type	Pack
19962	6 ML tube, carded	12
26210	10 ML bottle, carded	6
26250	50 ML bottle	6

## HIGH TEMP

Engineered to endure extreme temperatures up to 450°F (232°C) or higher, maintaining its bond strength. Perfect for applications exposed to high heat.

Item #	Product Size / Type	Pack
24026	6 ML tube, carded	6
27200	10 ML bottle, carded	6
27240	36 ML bottle, carded	6
27725	250 ML bottle	2

## LARGE DIAMETER

Designed to securely lock and seal large fasteners (25mm+ in diameter), providing a strong, permanent bond that withstands vibration, shock, and extreme conditions—perfect for heavy-duty applications.

Item #	Product Size / Type	Pack
27740	36 ML bottle, carded	6

# BLUE THREADLOCKER

A medium-strength adhesive that securely locks and seals threaded fasteners, yet allows for easy removal with hand tools when needed. Perfect for fasteners ranging from 1/4" to 3/4" (6mm to 20mm), it prevents loosening caused by vibration, shock, and thermal expansion.

**Ideal for bolts, nuts, and screws in automotive, machinery, and household applications, it provides reliable performance without permanent bonding.**

## MEDIUM STRENGTH

A trusted formulation, ideal for a wide range of applications where fasteners need to stay secure but may require future disassembly. It effectively locks and seals fasteners, preventing loosening, yet allows for easy removal with hand tools when needed.

Item #	Product Size / Type	Pack
24206	2.5 ML bottle, carded	6
24200	6 ML tube, carded	12
24210	10 ML bottle, carded	6
24240	36 ML bottle, carded	6
24250	50 ML bottle	6

## MEDIUM STRENGTH GEL

The gel formula offers the same trusted performance as liquid threadlocker blue, with added control to prevent drips, mess, or waste. Perfect for vertical or overhead applications.

Item #	Product Size / Type	Pack
24005	5 G Gel Squeeze™ applicator, carded	6
24010	10 G Gel Twist™ applicator, carded	6
24835	35 G tube, carded	6

# ORANGE THREADLOCKER

A hybrid formula that combines the strength of Red Threadlocker with the removability of Blue Threadlocker. Orange Threadlocker is ideal for modern day engine bays with a great deal of lightweight components and high vibration applications. 3x stronger than blue threadlocker.

**Ideal for securing fasteners with medium-to-high strength, allowing for adjustability and removability with hand tools while resisting due to vibrations and loosening.**

## HIGH STRENGTH REMOVABLE

Strength of red with the removability of blue, offering the best of both in one formula. Designed for bolts ranging from 1/4" to 1", it provides a reliable, vibration-resistant bond while still allowing for disassembly with standard tools when needed.

Item #	Product Size / Type	Pack
25210	10 ML bottle, carded	6

## HIGH STRENGTH REMOVABLE GEL

The gel formula offers the same performance as liquid threadlocker orange, with added control to prevent drips, mess, or waste. Perfect for vertical or overhead applications.

Item #	Product Size / Type	Pack
25005	5 G Gel Squeeze™ applicator, carded	6

# SPECIALTY THREADLOCKER

Designed for unique applications, offering tailored solutions like high-temperature resistance, oil tolerance, or easy removability for specialized fastening needs.

**Ideal for securing fasteners in challenging conditions, such as high temperatures, oily surfaces, or applications requiring adjustability or easy disassembly.**

## LOW STRENGTH THREADLOCKER PURPLE

This low-strength threadlocker is perfect for small fasteners under 1/4" (6mm), providing a secure hold while allowing for easy removal with hand tools. Ideal for delicate applications.

Item #	Product Size / Type	Pack
24024	6 ML tube, carded	6

## PENETRATING GRADE THREADLOCKER GREEN

Penetrating-grade threadlocker wicks into pre-assembled fasteners, offering a secure hold without the need for disassembly. Perfect for hard-to-reach areas and bolt sizes #2 - 1/2" (2.2 - 12mm).

Item #	Product Size / Type	Pack
29000	6 ML tube, carded	12
29040	36 ML bottle, carded	6

## SURFACE INSENSITIVE THREADLOCKER BLUE

Designed for use on a variety of surfaces, including oily or contaminated threads, this medium-strength threadlocker locks and seals fasteners while allowing easy removal with hand tools. Ideal for versatile applications.

Item #	Product Size / Type	Pack
24027	6 ML tube, carded	6
24300	10 ML bottle, carded	6
24350	50 ML bottle	6

## SEAL + LOCK THREAD COMPOUND

Unique anaerobic formulation that combines thread sealing properties with the strength and locking capability of Blue Threadlocker. Seals up to 1000 PSI.

Item #	Product Size / Type	Pack
57506	6 ML tube, carded	6
57535	35 ML bottle, carded	6

# THREAD SEALANTS

Used to seal and secure metal pipes and fittings, these formulas fill the space between threaded metal parts to prevent leakage. They cure to a pliable seal, protecting against leaks caused by vibration loosening, tape shredding, and solvent evaporation.

**Ideal for sealing and securing threaded connections, preventing leaks of gases or liquids in plumbing, automotive, and industrial applications.**

## HIGH PERFORMANCE THREAD SEALANT

Formulated specifically for metal, tapered pipe thread fittings. Thread Sealant replaces Teflon® tape and pipe dopes and cures rapidly to withstand up to 10,000 PSI.

Item #	Product Size / Type	Pack
56521	50 ML tube, carded	6

## HIGH TEMPERATURE THREAD SEALANT

Locks and seals threaded fittings. Resists leakage, vibration loosening, moisture, hydraulic fluids and diesel fuels. Temperature resistant to 400° F.

Item #	Product Size / Type	Pack
59214	6 ML tube, carded	12
59235	50 ML tube, carded	6

## PNEUMATIC/HYDRAULIC SEALANT

Designed for locking and sealing high pressure hydraulic and pneumatic systems. No fillers or particles that could contaminate systems.

Item #	Product Size / Type	Pack
54540	36 ML bottle, carded	6

## THREAD SEALANT WITH PTFE

An economical general-purpose fitting sealant. Outperforms traditional tapes and pipe dopes, it seals and resists pressure in air, oil, diesel fuel and hydraulic systems.

Item #	Product Size / Type	Pack
80631	1 OZ tube, carded	12
80632	4 OZ bottle	12
80633	16 OZ can	12

## PIPE JOINT COMPOUND

An universal sealant that lubricates and seals threaded joints on water, oil and fuel lines. Resistant to common shop fluids.

Item #	Product Size / Type	Pack
80045	16 OZ bottle	12

# RETAINING COMPOUNDS

Retaining Compounds are designed to bond non-threaded, cylindrical metal assemblies. By filling the voids between close-fitting metal parts, retaining compounds harden to create a solid, one-piece assembly.

**Ideal for securing cylindrical parts, such as bearings, bushings, and shafts, to prevent loosening and enhance strength in high-stress, high-load applications.**

## PERMANENT STRENGTH RED & CUP/CORE PLUG SEALANT RETAINING COMPOUND

A dual purpose, permanent-high strength threadlocker that is applied to fasteners 3/8" to 1" (10mm to 25mm) in size before assembly.

Item #	Product Size / Type	Pack
26240	36 ML bottle, carded	6

## HIGH TEMPERATURE SLEEVE RETAINER

Temperature resistance up to 400°F (204°C), anaerobic adhesive that secures slip and press fit assemblies.

Item #	Product Size / Type	Pack
64000	6 ML tube, carded	6
64040	36 ML bottle, carded	6

## BEARING MOUNT FOR CLOSE FIT ADHESIVE

A low viscosity, rapid-curing anaerobic adhesive that augments the strength of press fit assemblies up to .005" in diameter. Adds up to 3000 PSI holding power.

Item #	Product Size / Type	Pack
60950	50 ML bottle	6

## BEARING MOUNT RELAXED FIT ADHESIVE

An OEM specified, high strength, medium viscosity anaerobic adhesive for slip fit assemblies. Provides 2800 PSI shear strength on steel.

Item #	Product Size / Type	Pack
68050	50 ML bottle	6

# ***ADHESIVES***

# EPOXIES

Epoxies offer strong convenient solutions for a wide range of bonding applications. These versatile easy-to-use epoxies offer general use and material-specific options to provide the perfect bond for any job and environment.

**Ideal for bonding, repairing, and filling gaps on various materials, providing strong, durable, and chemical-resistant bonds in industrial, automotive, and household applications.**

**NEW**

## 5 MINUTE MINI EPOXY

An unique two-part, rapid curing, general-purpose epoxy. It is ideal for complex, multi-piece assemblies and forms a hard, rigid bond or coating in minutes that is resistance to water and solvents.

Item #	Product Size / Type	Pack
10500	6 ML dual syringe, carded	12

## 1 MINUTE EPOXY GEL

Gel provides the flexibility to reposition before setting. The advanced formulation reduces mess and waste compared to traditional epoxies; unique indicator system takes the guesswork out of “ready to use”.

Item #	Product Size / Type	Pack
84160	25 ML dual syringe, carded	6

## 2 TON EPOXY

Designed to bond together ridged materials for a permanent hold. Specially formulated for high clarity and impact strength, up to 4000 PSI tensile strength.

Item #	Product Size / Type	Pack
84133	25 ML dual syringe, carded	6

## 5 MINUTE 2 PART EPOXY

General purpose epoxy; two-part adhesive and filler system. Dries clear and is a water resistant, non-shrinking formula. Permanent strength up to 3400 PSI.

Item #	Product Size / Type	Pack
84201	2 - 1.2 OZ tubes, carded	12

## 5 MINUTE EPOXY GEL

Provides the flexibility to reposition before the setting time. The advanced gel formulation reduces mess and waste compared to traditional epoxies.

Item #	Product Size / Type	Pack
84101	25 ML dual syringe, carded	6

## STEEL WELD™ EPOXY

A metal-infused epoxy adhesive for use on metals that eliminates the need for welding or brazing and is resistant to water and solvents.

Item #	Product Size / Type	Pack
84109	25 ML dual syringe, carded	6
84209	2 - 1 OZ tubes, carded	12

## COLD WELD 2 PART EPOXY

A 15-minute, two-part adhesive and filler system that eliminates the need for welding or brazing. It repairs, fills and bonds to iron, steel, brass, bronze, aluminum and copper.

Item #	Product Size / Type	Pack
14600	2 - 1 OZ tubes, carded	12

## CREAM PLASTIC WELDER™

A structural adhesive designed for general-purpose bonding of a wide variety of material such as hard and soft plastics to specified surfaces. Forms a tough, durable bond to most plastics, composites, ceramics, wood in any combination.

Item #	Product Size / Type	Pack
84115	25 ML dual syringe, carded	6

## BLACK PLASTIC WELDER

A tough durable bond to hard and semi-flexible plastics, aluminum, fiberglass and more. This structural adhesive designed for general purpose bonding of a wide variety of materials.

Item #	Product Size / Type	Pack
84145	25 ML dual syringe, carded	6

# SUPER GLUES

Instant adhesives designed to cover the majority of common automotive and household repairs. High performance super glues are also available in liquid and gel.

**Ideal for quick, strong bonds for a variety of materials like metal, plastic, rubber, and ceramics, making them perfect for small repairs.**

## SUPER GLUE

Perfect for both automotive and household repairs, this super glue adheres to various surfaces including metal, plastic, rubber, and more. Its quick-drying formula ensures a strong, lasting bond in seconds, providing a reliable solution for all your adhesive needs.

Item #	Product Size / Type	Pack
82190	2 G tube, carded	12
49450	1 OZ bottle, carded	6

## ULTRA BOND SUPER GLUE

Premium high performance super glue that provides a stronger, faster-acting and longer lasting bond. Permanent, transparent bond fills gap to .010".

Item #	Product Size / Type	Pack
21309	5 G bottle, carded	6

## SUPER GLUE GEL

No drip formula that "stays put" for precise application on hard-to-reach, overhead, or vertical surfaces. This premium, fast acting adhesive can be used on both porous and non-porous surfaces and forms a strong, long-lasting, transparent bond.

Item #	Product Size / Type	Pack
82191	2 G tube, carded	12

# SPECIALTY ADHESIVES

Designed for unique bonding challenges. Whether you need to bond specific materials, like glass, rubber, or metal, these products offer specialized solutions.

**Ideal for unique bonding needs and safe removal of adhesives, offering tailored solutions for challenging materials or applications.**

## BLACK RUBBER SEALANT

High-strength, ready-to-use automotive sealant that insulates, seals and caulks without drying out or becoming brittle.

Item #	Product Size / Type	Pack
80338	1.5 OZ tube, carded	12

## CONTACT CEMENT

Contact Cement makes a tough, permanent bond on contact. Instantly bonds metal, wood, ceramic, leather, rubber and many other surfaces. Instantly bonds rubber to glass and metal.

Item #	Product Size / Type	Pack
25905	1.5 OZ tube, carded	12

## FUEL TANK EPOXY PUTTY

A two-part, hand kneadable, putty-type epoxy used for repairing metal gas tanks and containers.

Item #	Product Size / Type	Pack
84334	1 OZ stick, carded	12

## LIQUID ELECTRICAL TAPE

A weatherproof protectant for wiring and electrical connections. This electrical tape goes on as a liquid and dries to a vinyl polymer, making it resistant to dirt, dust, chemicals, moisture.

Item #	Product Size / Type	Pack
85120	4 OZ can	6

## LIQUID METAL FILLER

An easy-to-use filler that can be drilled, filed, sanded and painted. It forms a long-lasting, metal-tough bond and works on metal, wood, and concrete.

Item #	Product Size / Type	Pack
25909	3.5 OZ tube, carded	12

## BLACK SUPER WEATHERSTRIP ADHESIVE

Ideal for all types of weatherstripping. An air-drying contact cement that allows quick bonding yet maintains enough versatility in tack to allow large areas to be spread and bonded at one time.

Item #	Product Size / Type	Pack
81852	2 OZ tube, carded	12
81850	5 OZ tube, boxed	12

## YELLOW WEATHERSTRIP ADHESIVE

Ideal for all types of weatherstripping. An air-drying contact cement that allows quick bonding yet maintains enough versatility in tack to allow large areas to be spread and bonded at one time.

Item #	Product Size / Type	Pack
80638	2 FL OZ tube, carded	12
81731	5 FL OZ tube, boxed	12

## SELF-FUSING SILICONE TAPE

An all purpose repair tape that is made out of specially formulated silicone rubber. Contains no adhesives, yet chemically bonds to itself upon contact.

Item #	Product Size / Type	Pack
82112	1"x10' roll, carded	6

# ADHESIVE SEALANTS

For virtually any sealing application, from windshields to vinyl tops to electrical connections. These well known general-purpose adhesive sealants will help you get the job done right the first time.

**Ideal for providing both a strong bond and a reliable seal, preventing leaks and securing parts in automotive, construction, and industrial applications.**

**NEW**

## GLASS WELD

A one-component, moisture curing, high-performance adhesive that bonds auto glass to car bodies. Formulated to bond windshields and side or rear windows of all sizes.

Item #	Product Size / Type	Pack
81100	10.5 OZ cartridge	12

## BLACK SILICONE ADHESIVE SEALANT

A low odor, general purpose, black RTV indoor/outdoor sealant that seals, bonds, repairs, mends and secures glass, metal, plastics, vinyl, weather stripping and vinyl tops.

Item #	Product Size / Type	Pack
81158	3 OZ tube, carded	12
81173	12.9 OZ cartridge	12

## CLEAR SILICONE ADHESIVE SEALANT

A general purpose, clear RTV indoor/outdoor sealant that seals, bonds, repairs, mends, and secures glass, metal, plastics, fabric, vinyl, weather stripping, and vinyl tops.

Item #	Product Size / Type	Pack
80050	3 OZ tube, carded	12
85913	7.25 OZ PowerBead™ can	6
80855	11 OZ cartridge	12

## WINDSHIELD & GLASS SEALER FLOWABLE SILICONE

“Seeks the leak” by flowing into hidden and hard-to-reach areas, forming a tough, waterproof, clear seal that resists weather, extreme temperatures, vibration, shock, and most shop chemicals.

Item #	Product Size / Type	Pack
81730	1.5 FL OZ tube, carded	12

# SPRAY ADHESIVES

Versatile, easy-to-use solutions designed for bonding a wide range of materials, including fabric, foam, metal, plastic, and more. Ideal for automotive, industrial, and DIY applications, these adhesives provide a strong, durable hold with quick drying times.

**Ideal for quickly bonding lightweight materials, offering an even application and fast drying for crafting, packaging, and light assembly tasks.**

## ALL PURPOSE SPRAY ADHESIVE

An all-purpose, pressure sensitive, spray adhesive that allows both permanent and repositionable bonding. Won't bleed through leaving surfaces unstained, dries clear, and resists water.

Item #	Product Size / Type	Pack
82019	16 OZ aerosol can, 10.5 OZ net wt.	12

## SPRAY SEALANT LEAK REPAIR

A sprayable sealer that forms a durable rubber barrier that stop leaks in minutes. The wicking action seals hard-to-reach leaks without the need for disassembling or removing parts.

Item #	Product Size / Type	Pack
82099	12 OZ aerosol can	6

## HEADLINER ADHESIVE

A high-strength spray adhesive designed for repairing interior parts which have become detached or loosened. This heavy duty adhesive will adhere to headliners, carpets, truck linings and indoor door panels.

Item #	Product Size / Type	Pack
27828	20 OZ aerosol can, 16.75 OZ net wt.	6

# ***PERFORMANCE***

# STOP LEAKS

Additives designed to help seal leaks in a vehicle's engine, cooling system, transmission, power steering, or other components, while also revitalizing and conditioning those parts.

**Ideal for quickly sealing leaks, providing a permanent fix for minor cracks, gaps, or holes in automotive and plumbing systems.**

## HEAD GASKET REPAIR

Designed to seal pinhole leaks 2x faster and prevent coolant, oil and other fluids from mixing with each other. Leaks in head gaskets cause loss of engine power, overheating and excess coolant consumption.

Item #	Product Size / Type	Pack
30300	16 OZ Bottle	6

## RADIATOR REPAIR

Flows through the heater core without restriction and plugs pinhole leaks reducing engine overheating and frequently adding coolant. Corrosion of cooling system components causes pinhole leaks and can lead to engine overheating.

Item #	Product Size / Type	Pack
30301	16 OZ Bottle	6

## ENGINE OIL STOP LEAK

Increases viscosity of engine oil and conditions, softens and expands rubber components. Brittle seals and gaskets allow oil to seep from the engine and cause deposit formations and dark exhaust smoke.

Item #	Product Size / Type	Pack
30302	12 OZ Bottle	6

## POWER STEERING REPAIR

Stops leaks, increases fluid viscosity while conditioning and protecting rubber components, reducing cracking and future leak points.

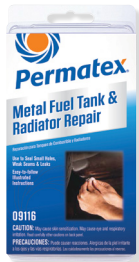

Item #	Product Size / Type	Pack
30303	12 OZ Bottle	6

# ***SPECIALTY REPAIR***

# FUEL & PLASTIC TANK REPAIR

Designed to provide strong, durable repairs for leaks and cracks in fuel and plastic tanks. These easy-to-use solutions create a reliable, long-lasting bond that can withstand high pressure, chemicals, and extreme temperatures.

**Ideal for quickly and permanently sealing cracks, holes, and leaks in fuel tanks, plastic tanks, and containers, ensuring durability and chemical resistance.**

## METAL FUEL TANK & RADIATOR REPAIR

A two-component stick that when kneaded together, it can seal holes, seams or cracks on metal tanks, radiators or gas cans. It provides excellent chemical and moisture resistance and is non-flammable.

Item #	Product Size / Type	Pack
09116	1 kit, clam shelled	6

## FUEL TANK REPAIR KIT

This complete kit contains everything required for making professional-quality permanent repairs in just minutes. It includes state-of-the-art components and easy-to-follow instructions and removes the need for dangerous welding.

Item #	Product Size / Type	Pack
09101	1 kit, clam shelled	6

## PLASTIC TANK REPAIR KIT

Fixes cracks up to 4" long and holes up to 3/8" in diameter. Using this kit helps reduce costs that may come from replacing the entire tank. Contains everything required for making a professional-quality permanent repairs in just minutes.

Item #	Product Size / Type	Pack
09100	1 kit, clam shelled	6

# REARVIEW MIRROR REPAIR

Designed to provide a quick and easy solution for reattaching or repairing loose or damaged rearview mirrors. These durable adhesives restore the mirror's strength and stability, ensuring a secure bond.

**Ideal for securely reattaching rearview mirrors to windshields, providing a strong, reliable bond that withstands temperature changes and vibrations.**

## REARVIEW MIRROR ADHESIVE

Professional strength rearview adhesive approved and used by GM, Ford and Chrysler. Permanently remounts mirrors to windshields.

Item #	Product Size / Type	Pack
81844	2-part kit, carded	12

## REARVIEW MIRROR ADHESIVE EXTREME STRENGTH

A 2-part professional strength rearview mirror adhesive & activator. This medical grade towelette helps to minimize application messes, improves application accuracy.

Item #	Product Size / Type	Pack
81840	2-part kit, carded	12

## REARVIEW MIRROR ADHESIVE REPAIR KIT

Contains everything required for making professional quality repairs in just minutes. This repair kit includes components and easy-to-follow instructions.

Item #	Product Size / Type	Pack
09102	1 kit, clam shelled	6

# EXHAUST REPAIR

Provide quick and reliable solutions for repairing leaks, cracks, and damage in exhaust systems. Engineered to withstand extreme heat, moisture, and pressure, these products offer long-lasting repairs for automotive, industrial, and marine applications.

**Ideal for sealing leaks, filling gaps, and restoring damaged exhaust systems, ensuring durability and withstanding high temperatures and vibrations.**

## MUFFLER & TAILPIPE BANDAGE

An epoxy-impregnated fiberglass bandage that chemically welds mufflers and tailpipes. This bandage permanently repairs holes and leaks in exhaust systems.

Item #	Product Size / Type	Pack
80331	84 sq. in. bandage, carded	12

## MUFFLER & TAILPIPE PUTTY

Permanently repairs holes and leaks in exhaust systems. Seals out fumes at temperatures up to 2000°F (1000°C).

Item #	Product Size / Type	Pack
80333	4 OZ net wt. (2 foil pouches, carded)	12

## MUFFLER & TAILPIPE SEALER

Seals holes and cracks in mufflers, tailpipes and around joints to make new installations more secure. This Muffler and Tailpipe sealer resists temperatures to 2000°F (1000°C).

Item #	Product Size / Type	Pack
80335	3 OZ tube, carded	12

## 1000° PLUS EXHAUST REPAIR KIT

Repairs cracks and splits in mufflers, tailpipes and exhaust pipes. This exhaust kit withstands temperatures over 1000°F (540°C) and contains ready-to-use foil-packed bandage and support wire.

Item #	Product Size / Type	Pack
80334	1 bandage, 1 support wire, carded	12

## HEAVY DUTY TAILPIPE AND MUFFLER REPAIR KIT

A permanent muffler or tailpipe repair. An All-In-One solution, this kit provides everything needed to get the job done right, the first time.

This kit is capable of repairing holes, 2X larger than a traditional repair kit.

Item #	Product Size / Type	Pack
80336	Heavy Duty Tailpipe Repair Kit	6
80337	Heavy Duty Muffler Repair Kit	6

# VINYL & FABRIC REPAIR

Designed to restore and repair damaged upholstery, seats, carpets, and other fabric or vinyl surfaces. These easy-to-use solutions provide a durable, long-lasting fix, helping to restore the appearance and function of your vehicle's interior.

**Ideal for fixing tears, burns, and cuts in materials like car seats, upholstery, and outdoor fabrics, restoring them to their original appearance and functionality.**

## FABRIC REPAIR SYSTEM

Repairs automobile upholstery, carpet, clothing and furniture. This kit matches popular colors and textures containing: 7 assorted colors of fabric repair compound, 2 cups fabric air dry adhesive, screen applicator, application spatula, mixing , and instruction cards.

Item #	Product Size / Type	Pack
25247	1 kit, clam shelled	6

## VINYL & LEATHER REPAIR KIT

The ideal DIY repair kit for home, automotive, and marine vinyl and leather upholstery. This easy-to-use kit contains: heat transfer tool, 7 colors of repair compound, clear vinyl adhesive and filler (net .34 fl. oz.), grain pattern paper, plastic spatula, and instruction sheet.

Item #	Product Size / Type	Pack
80902	1 kit, clam shelled	6

## ULTRA VINYL & LEATHER REPAIR KIT

A complete kit with plug-in electric heat iron to make pro-style repairs. This kit contains: professional electric heat tool, 7 color compounds, clear vinyl adhesive and filler (net .34 fl. oz.), grain pattern paper, metal spatula, and plastic dashboard hardening powder.

Item #	Product Size / Type	Pack
41	1 kit, clam shelled	6

# WINDOW & WINDSHIELD REPAIR

Designed to fix chips, cracks, and damage on glass surfaces, restoring clarity and strength. Easy to use, these products help prevent further damage and reduce repair costs.

**Ideal for fixing small chips and cracks, preventing further damage, and restoring clarity and strength to automotive glass.**

## BULLSEYE WINDSHIELD REPAIR

One-component windshield repair system designed to be used to fill glass chips. Can be used to make air-tight repairs of bullseye damage up to 1 1/4" in diameter.

Item #	Product Size / Type	Pack
16067	.025 FL OZ syringe, carded	12

## WINDSHIELD REPAIR KIT

Makes permanent air-tight repairs of bullseye damage up to 1 1/4" on most laminated windshield glass. This state-of-the-art delivery system with advanced spring-lock feature, allows you to make professional-quality repairs.

Item #	Product Size / Type	Pack
09103	1 kit, clamshell	6

## REAR WINDOW DEFOGGER REPAIR

Quickly and easily bonds defogger tab to grid on rear window. Provides a low-cost, high-quality repair for damaged rear window defogger tabs.

Item #	Product Size / Type	Pack
21351	2-part kit, carded	6

## REAR WINDOW DEFOGGER REPAIR KIT

Contains everything required for making professional-quality repairs in just minutes. Includes state-of-the-art components and easy-to-follow instructions.

Item #	Product Size / Type	Pack
09117	1 kit, clam shelled	6

# ***SPECIALTY MAINTENANCE***

# BRAKE & PARTS MAINTENANCE

Designed to ensure the smooth and reliable performance of your vehicle's braking system and other essential components. From cleaning and lubricating brake parts to preventing corrosion and wear, these products help extend the life of critical parts.

**Ideal for cleaning, lubricating, and protecting brake systems and other automotive components to ensure optimal performance and longevity.**

## **NON-CHLORINATED BRAKE & PARTS CLEANER**

Penetrates, dissolves and removes dirt and oil from brake systems and metal parts.

Item #	Product Size / Type	Pack
82220	20 OZ aerosol can, 14.5 OZ net wt.	12

## **NON-CHLORINATED BRAKE & PARTS CLEANER**

50 State VOC Compliant

Penetrates, dissolves and removes dirt and oil from brake systems and metal parts.

Item #	Product Size / Type	Pack
82450	20 OZ aerosol can, 14.5 OZ net wt.	12

## **PRO-STRENGTH BRAKE & PARTS CLEANER**

Pro-Strength Brake & Parts Cleaner is specifically formulated to aggressively remove oil, grease, brake fluids, oxidized oils, and asphalt from all types of brakes and other automotive parts.

Item #	Product Size / Type	Pack
82605	20 OZ aerosol can, 12.6 OZ net wt.	12

# BODY & UNDERHOOD MAINTENANCE

Designed to keep your vehicle's exterior and engine components in top condition. From rust prevention to cleaning and protecting underhood parts, these products provide essential care for both appearance and performance.

**Ideal for protecting, cleaning, and restoring vehicle surfaces and components, ensuring durability and a professional appearance.**

## BATTERY CLEANER

Works in just three minutes, allowing you to simply spray it on and wash corrosion off. Penetrates and removes corrosion, dirt and grime instantly.

Item #	Product Size / Type	Pack
80369	6 OZ aerosol can,	12

## BATTERY PROTECTOR AND SEALER

Seals and coats battery terminals eliminating the formation of acid salt corrosion typically found when terminals are untreated.

Item #	Product Size / Type	Pack
80370	6 OZ aerosol can,	6

## HEAVY DUTY RUBBERIZED UNDERCOATING

Combines flexibility and sealing properties of rubber with superior coating thickness.

Item #	Product Size / Type	Pack
81833	16 OZ aerosol can,	6

## ELECTRICAL CONTACT & PARTS CLEANER

Suited for cleaning electrical and electronic devices. This fast evaporating, non-corrosive cleaner leaves no residue.

Item #	Product Size / Type	Pack
82588	16 OZ aerosol can,	6

## WHEEL RESTORATION KITS

Restores damaged metal wheel surfaces to a like new appearance. This easy-to-use, do it yourself kit repairs various unappealing wheel damage including; curbside rash, corrosion, pitting, scuffs, dents, and scratches.

Item #	Product Size / Type	Pack
09142	Silver, 1 kit, clam shell	6
09143	Black, 1 kit, clam shell	6

# RUST TREATMENTS

Designed to stop, prevent, and treat rust on metal surfaces, providing long-lasting protection against corrosion.

**Ideal for stopping rust, preventing corrosion, and restoring metal surfaces to extend their lifespan and maintain strength.**

## RUST TREATMENT

Provides one-step treatment that encapsulates old rust and prevents new rust within minutes. Just brush or spray on. Within minutes, rust is replaced by a durable black polymer coating that may be painted.

Item #	Product Size / Type	Pack
81775	8 FL OZ bottle	12
81773	16 FL OZ bottle	12
81849	16 OZ aerosol can, 10.25 OZ net wt.	12

## RUST DISSOLVER GEL

Chemically dissolves rust from all iron and steel surfaces. Simply brush or spray on, wash off rust with a wet cloth.

Item #	Product Size / Type	Pack
81756	8 FL OZ bottle	12

# ***LUBRICANTS***

# ANTI-SEIZE

Designed to prevent seizing, galling, and corrosion on metal parts exposed to high temperatures and pressure. These lubricants provide a protective barrier that makes parts easier to assemble, disassemble, and maintain, ensuring reliable performance in harsh conditions.

**Ideal for preventing seizing, galling, and corrosion on threaded fasteners and metal parts, especially in high-temperature or high-pressure environments.**

## ANTI-SEIZE LUBRICANT

Highly refined blend of aluminum, copper, and graphite lubricants. Use during assembly to prevent galling, corrosion, and seizing due to weathering or chemicals. Anti-Seize assures easier disassembly.

Item #	Product Size / Type	Pack
81343	1 OZ tube, carded	12
80071	4 OZ bottle	12
80078	8 OZ brush-top bottle	12
80208	16 OZ brush-top bottle	12
81464	12 OZ aerosol can, 85 OZ net wt.	12

## COPPER ANTI-SEIZE LUBRICANT

Premium quality copper anti-seize and thread lubricant that may be used to prevent seizing, corrosion and galling where high temperature conditions exist.

Item #	Product Size / Type	Pack
09128	8 OZ brush-top bottle	6
31163	16 OZ brush-top bottle	12

## NICKEL ANTI-SEIZE LUBRICANT

Protects metal parts from seizing and galling at temperatures up to 2400°F (1316°C). Recommended to use where copper contamination must be avoided.

Item #	Product Size / Type	Pack
77134	.5 OZ tube, carded	6
77124	8 OZ brush-top bottle	12
77164	16 OZ brush-top bottle	10

# BRAKE

Brake Lubricants are perfect no matter your vehicle. We offer three unique formulas that are optimized for every type of vehicle. The brake lubricants reduce noisy braking, protect brake hardware from seizing and galling, and will not cause rubber swell.

**Ideal for reducing friction, preventing squeaks, and ensuring smooth operation of brake components, including calipers, pads, and hardware.**

## **SYNTHETIC BRAKE PARTS LUBRICANT**

Environmentally-friendly, green, non-melting, synthetic lubricant. This Synthetic Brake Parts Lubricant is formulated to lubricate under the most adverse brake conditions.

Item #	Product Size / Type	Pack
85188	0.5 OZ tube	6
20353	2 OZ tube with nozzle	6
24110	8 OZ brush-top bottle	6

## **CERAMIC BRAKE PARTS LUBRICANT**

100% synthetic formula, coupled with real ceramic solids make this a premium brake lubricant. Reduces noisy braking by over 50%.

Item #	Product Size / Type	Pack
24125	8 OZ brush-top bottle	6

## **SILICONE BRAKE PARTS LUBRICANT**

Award winning, formulation that is fortified with a blend of white solids and ceramic solids to reduce noisy stops by 99%.

Item #	Product Size / Type	Pack
24114	0.5 OZ tube	6
20352	2 OZ tube with nozzle	6
24112	8 OZ brush-top bottle	6

## **DISC BRAKE QUIET**

Stops brake squeal by dampening vibration at caliper/brake pad interface and provides tighter fit and allows for easier disassembly.

Item #	Product Size / Type	Pack
80077	16 OZ aerosol can, 10.25 OZ net wt.	12

# SPECIALTY

Provide high-performance protection and smooth operation for critical parts. Designed for automotive, industrial, and mechanical use, they reduce friction, prevent rust, and ensure long-lasting durability under tough conditions.

**Ideal for providing tailored lubrication solutions for specific applications, such as high temperatures, extreme pressures, or specialized machinery, ensuring smooth operation and reducing wear.**

**NEW**

## O-RING LUBRICANT

A multi-purpose anti-corrosion lubricant formulated to condition seals and extend the life of O-ring gaskets for use in a wide range of temperatures.

Item #	Product Size / Type	Pack
81101	1 OZ tube, carded	6

## 5TH WHEEL LUBRICANT

Graphite lubricant designed for heavy duty applications and effective at extreme temperatures and environmental conditions.

Item #	Product Size / Type	Pack
01010	4 x 60pk, 2 OZ display carton	60

## ULTRA SLICK™ ENGINE ASSEMBLY LUBE

Provides proper lubrication of metal mating surfaces is essential prior to starting a new or rebuilt engine.

Item #	Product Size / Type	Pack
81950	4 OZ bottle	12

## DIELECTRIC GREASE

Protects electrical connections and wiring from salt, dirt and corrosion. Dielectric Tune Up extends the life of bulb sockets and prevents voltage leakage.

Item #	Product Size / Type	Pack
81150	.33 OZ tube, carded	6
81153	3 OZ Powercan	6
22058	3 OZ tube, carded	6

## PRUSSIAN BLUE .75 FL OZ

Prussian Blue aids precision-fitting of machined surfaces and locates high spots on bearings, valves, gears and other close-to-tolerance components.

Item #	Product Size / Type	Pack
80038	.75 FL OZ tube	36

## VALVE GRINDING COMPOUND

Valve Grind Compound aids valve grinding and seating operations to remove burrs, surface defects, carbon, gum and corrosion.

Item #	Product Size / Type	Pack
80036	1.5 OZ tube, carded	12
80037	3 OZ tube, carded	12

## WHITE LITHIUM GREASE

White Lithium Grease is an all-purpose lubricant is designed to reduce friction between load bearing metal-to-metal and metal-to-plastic applications.

Item #	Product Size / Type	Pack
80345	1.5 FL OZ tube, carded	12

## **CHAIN LUBRICANT**

Chain Lubricant cleans, lubricates, extends life, and protects all types of roller chains, gears and cables that operate under exposed conditions. Easy-to-apply foaming action assures effective application. Repels dirt, sand, dust. Minimal “throw-off”.

Item #	Product Size / Type	Pack
80075	6 OZ aerosol can, 5 OZ net wt.	12

## **BELT DRESSING & CONDITIONER**

Belt Dressing and Conditioner extends belt life and penetrates the cord fibers of “V” belts to restore pliability and flexibility. Belt Dressing and Conditioner prevents belt slippage due to heat, cold, dampness, dust, and glazing.

Item #	Product Size / Type	Pack
80073	12 OZ aerosol can	12

## **SILICONE SPRAY LUBRICANT**

This Spray Lubricant stops friction and squeaks and prevents locks, doors, and windows from binding. This high silicone formula does not attract dust or dirt and protects and renews rubber mountings.

Item #	Product Size / Type	Pack
80070	16 OZ aerosol can, 10.25 OZ net wt.	12

# SINGLE USE

Convenient single-use lubricants designed for targeted applications. Perfect for quick, mess-free lubrication of critical components, ensuring smooth performance and lasting protection.

**Ideal for small repairs and on-the-go applications.**

## NICKEL ANTI-SEIZE LUBRICANT

Protects metal parts from seizing and galling at temperatures up to 2400°F (1316°C). Recommended to use where copper contamination must be avoided.

Item #	Product Size / Type	Pack
77134	.5 OZ tube, carded	6

## SILICONE BRAKE PARTS LUBRICANT

Award winning, formulation that is fortified with ceramic solids to reduce noisy stops by 99%. The Silicone Brake Parts Lubricant is the premium brake parts lubricant.

Item #	Product Size / Type	Pack
24114	.5 OZ tube, carded	6

## SYNTHETIC BRAKE PARTS LUBRICANT

An environmentally friendly, non-melting synthetic lubricant designed for extreme brake conditions. It ensures caliper pins, sleeves, bushings, and pistons stay lubricated throughout pad life.

Item #	Product Size / Type	Pack
85188	.5 OZ tube, carded	6

## SPARK PLUG GREASE

A silicone dielectric compound whose dielectric and lubricious properties facilitate and improve tune-ups.

Item #	Product Size / Type	Pack
85189	0.5 OZ tube, carded	6

## BULB GREASE

Bulb Grease increases performance and extends service life of bulbs and lamps by preventing voltage leakage and protecting electrical connections from moisture, dirt and corrosion.

Item #	Product Size / Type	Pack
85184	.5 OZ tube, carded	6

Item #	Product Size / Type	Pack
25616	15 FL OZ bottle, Orange Scent	12
25618	1 GAL bottle w/pump, Orange Scent	4

## XTREME FRESH SCENT

A professional-strength hand cleaner with fine pumice, designed to tackle tough grease while conditioning hands. Its light clean fresh scent is refreshing and contains no petroleum odors.

Item #	Product Size / Type	Pack
25419	1 GAL bottle w/pump, Fresh Scent	4

## XTREME CHERRY SCENT

A professional-strength hand cleaner with fine pumice, designed to tackle tough grease while conditioning hands. Its light clean cherry scent is refreshing and contains no petroleum odors.

Item #	Product Size / Type	Pack
25619	1 GAL bottle w/pump, Cherry Scent	4

# SPECIALTY HAND CLEANERS

Deliver superior cleaning power for specified use cases. Our line of specialty hand cleaners offers solutions to those looking for differentiated formulas from traditional Fast Orange Hand Cleaners.

**Ideal for removing tough substances like grease, oil, grime, paint, resins, dirt, tar, printer's ink and more.**

## PREMIUM HAND CLEANER

Natural, and solvent-free utilizing both walnut and pumice scrubbers to clean hands to the highest level.

Item #	Product Size / Type	Pack
25908	7.5 FL OZ bottle	12
25922	15 FL OZ bottle	12

## ANTI-BACTERIAL PUMICE HAND CLEANER

Pure, fresh-smelling, natural citrus power cleans deep down to remove even the most stubborn grease and grime. Antibacterial agent kills 99% of germs on hands.

Item #	Product Size / Type	Pack
25722	15 FL OZ bottle	12

## PROCLEAN

PROClean Hand Cleaner targets tough paint stains with a dual-action formula. Pumice reaches creases to break down latex and urethane paints, while microgel penetrates deep to lift stains effortlessly.

Item #	Product Size / Type	Pack
65215	15 FL OZ bottle	12

# WIPES

Fast Orange Wipes offer a line of heavy duty, multipurpose wipes and scrubbing towels to be used in and around the garage, home and shop. Offered in a variety of sizes and substrates to tackle any messes that come your way. Ideal for grease, grime, oil, soils, resins, glues, gasket cement and more..

**Ideal for quickly cleaning hands, tools, and surfaces without water, effectively removing grease, grime, and dirt on the go.**

**NEW**

## SCRUBBING TOWELS

These dual-textured towels tackle the toughest dirt with an abrasive side that powers through grease, grime, paints, resins, glue and other difficult soils while the smooth side finishes off the job.

Item #	Product Size / Type	Pack
25074	72 CT Wipes	4

## MULTIPURPOSE WIPES

Tough wipes remove grease, tar, grime, paint, adhesives, and more. Each pre-moistened wipe features a textured side for heavy-duty cleaning and a smooth side for general-purpose use on hands, tools, and surfaces.

Item #	Product Size / Type	Pack
25052	10 CT Wipes	30
25050	25 CT Wipes	8
25051	72 CT Wipes	6
25053	72 CT Wipes	4

# EXTENDED LINE

The extended line of Fast Orange offers the same superior cleaning power that is expected from Fast Orange but for all areas of your life. Ideal for use in and around the home include laundry, grease removal, adhesive removal, stain and odor removal, body wash and more.

**Ideal for providing specialized cleaning solutions, including heavy-duty scrubbing, odor removal, and moisturizing, tailored to meet the needs of various tough jobs.**

**NEW**

## GREASE X BODY WASH

The ultimate body soap for those who tackle grease and grime daily. Fast Orange Body Wash not only cleans away grease, oil, and grime but also eliminates gasoline and automotive fluid odors.

Item #	Product Size / Type	Pack
25716	16 OZ bottle	6

**NEW**

## HAND REPAIR CREAM

Fast Orange Hand Repair Cream offers heavy-duty protection for hardworking hands. Our fast-acting formula repairs and nourishes dry, cracked skin, leaving your hands feeling soft and smooth.

Item #	Product Size / Type	Pack
25103	3 OZ tube	24

## GREASE X LAUNDRY DETERGENT

The first professional grade mechanic's laundry detergent with a built in pre-treater specifically formulated to remove up to 99% of automotive stains and odors.

Item #	Product Size / Type	Pack
22340	40 OZ bottle	6

## CITRUS BLASTER GEL

The unique gel formula penetrates deep into the mess, softening it and loosening its grip on the surface below. It can be used on both interior and exterior automotive surfaces without fear of damage.

Item #	Product Size / Type	Pack

### GASKET MAKERS

#### Permatex® Black High Flex Gasket Makers

(Ultra, Optimum, The Right Stuff 1 Minute & 90 Minute)

Automatic transmission pan, timing chain cover & oil pan

#### Permatex® Grey High Torque Gasket Makers

(Ultra, Optimum, The Right Stuff 1 Minute & 90 Minute)

Valve covers, water pump & intake manifold

#### Permatex® Red High Temperature Gasket Makers

(Ultra, Optimum, The Right Stuff 1 Minute & 90 Minute)

Exhaust manifold/header, slip-fit exhaust parts & turbo charger

#### Permatex® Gear Oil RTV Gasket Maker

Manual transmission pan & differential housing

#### Permatex® Anaerobic Gasket Maker

Transmission case covers, transaxle casings & water pump housing

#### Permatex® Water Pump & Thermostat RTV Silicone Gasket Maker

Water pump housing & thermostat housing

#### Permatex® Automatic Transmission RTV Gasket Maker

Automatic transmission pan

### LUBRICANTS

#### Permatex® Anti-Seize

Cylinder head & exhaust bolts, oxygen sensors, knock sensors & thermostat housing bolts

#### Permatex® Belt Dressing & Conditioner

For "V" style belts only

### ADHESIVES

#### Permatex® 500° High Heat Epoxy & Steel Weld Epoxy

Plastic & metal bonding

### THREAD COMPOUNDS

#### Permatex® Threadlockers

(High Strength Red, High Strength removable Orange, Medium Strength Blue & High Temperature Red)

Drive shaft bolts, rocker arm adjustment nuts, camshaft sprocket bolts & flywheel bolts

#### Permatex® Thread Sealants

(Seal + Lock, High Performance & High Temperature)

Oil pressure sensors, threaded fuel injector fittings, coolant temperature sensor, oil pan drain plug, head bolts into through holes, oil pressure sending units, rear axle fill plug & fuel fittings

#### Permatex® High Temp Sleeve Retainer

Valve guides, cylinder sleeves, valve seats & woodruff keys

### SPECIALIZED MAINTENANCE

#### Permatex® Battery Cleaner & Protector & Sealer

Battery terminals

#### Permatex® Fuel Tank & Radiator Repair Kit

Metal tanks & radiators only

## Body & Chassis

---

### THREAD COMPOUNDS

#### Permatex® High Strength Removable Threadlocker Orange

Caliper bracket bolts, shock absorber mounts, suspension & chassis fasteners, frame brackets, body panel mounting fasteners

### ADHESIVES

#### Permatex® 1 Minute & 5 Minute Gel Epoxies

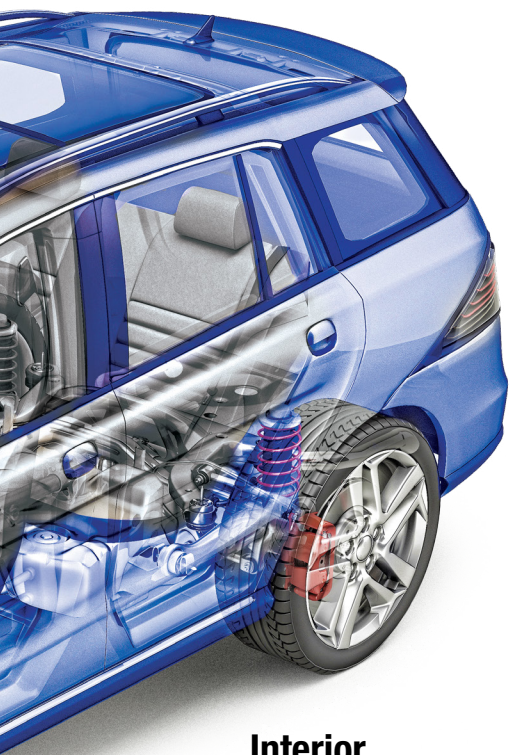

Chrome, rubber, plastic & metal trim

#### Permatex® Plastic Welder

Plastic bumper & hard plastic parts

#### Permatex® Clear & Black Adhesive Sealant

Door frames, vinyl tops, weather striping, head & tail light assemblies

### LUBRICANTS

#### Permatex® Anti-Seize

Axle assembly, exhaust bolts, anchor pins on brake assemblies & spring bolts

#### Permatex® Disc Brake Quiet

Back of brake pads

### SPECIALIZED MAINTENANCE

#### Permatex® Silicone, Ceramic, and Synthetic Brake Lubricant

Disc brake caliper pins, hardware & back side of brake pads

#### Permatex® Rust Treatment

Body panels, chassis

#### Permatex® Fuel Tank Repair

Metal fuel tanks

#### Permatex® Muffler & Tailpipe Bandage, Muffler & Tailpipe Sealer, Muffler & Tailpipe Putty

Exhaust pipe & muffler assemblies

#### Permatex® Undercoating

Underbody, chassis, wheel wells

#### Permatex® Dielectric Grease

Electrical connections, lights & bulbs, trailer hitch electrical connectors

#### Permatex® Super Weather Strip Adhesive

Weather stripping, door & trunk molding

#### Permatex® Bullseye Windshield Repair

Windshield glass

### CLEANERS

#### Permatex® Pro-Strength Brake & Parts Cleaner

Rotors & brake calipers

#### Spray Nine® Heavy Duty Cleaner, Degreaser & Disinfectant

## Interior

---

### CLEANERS

#### Spray Nine® Heavy Duty Cleaner, Degreaser & Disinfectant

General cleaning & disinfecting (no leather, glass & weathered surfaces)
