ABYC SAFETY STANDARDS

Effective September 1, 1996, the American Boat and Yacht Council (ABYC) recommends that new seating standards go into effect. These standards help classify pedestal applications into separate categories.

CLASS A

Seat designed for occupancy while the boat is under way at any speed.

CLASS B

Seat designed for occupancy only at boat speeds not exceeding five miles per hour.

Within each of these classifications all pedestals must pass a series of tests (horizontal and vertical impacts, torque and static load tests). There are also two types of Class A seats.

CLASS A PASSENGER

Seat mount must resist 30 foot pounds of torque.

CLASS A DRIVER

Seat mount must incorporate a "mechanical interference lock" and resist 150 foot pounds of torque.

In an effort to help you understand how our product complies with the new regulations, we have assigned the following labels to identify them:

CLASS B

CLASS A PASSENGER

CLASS A DRIVER

Please look for these labels throughout the catalog.

IMPORTANT

None of the products in this catalog are designed for commercial use.

MARINE AFTERMARKET WARRANTY

The Wise Co., Inc. warrants that each new seat and all accessories and equipment (except upholstery material) supplied by the Wise Co. is free from defects (to be determined exclusively by the Wise Co.) in material or workmanship to the original purchaser:

BOAT SEAT UPHOLSTERY & FRAMES	2 YEARS
CAMOUFLAGE BOAT SEAT UPHOLSTERY	1 YEAR
ALL HARDWARE ITEMS	3 YEARS

The Wise Company, Inc. will replace from its factory, or at its option, repair any parts which, in the opinion of the manufacturer, have failed or worn as stated previously.

This warranty shall be considered void if, in the opinion of the The Wise Company, Inc. one or more of the following conditions are present:

- **THE SEAT OR ANY ACCESSORY/EQUIPMENT HAS BEEN ALTERED, MODIFIED, CHANGED OR REWORKED IN A MANNER NOT PREVIOUSLY AUTHORIZED BY THE WISE COMPANY**
- **THE SEAT HAS BEEN SUBJECTED TO ABUSE, NEGLIGENCE OR ACCIDENT**
- **THE SEAT IS INSTALLED IN A MANNER THAT WOULD SUBJECT THE SEAT TO ABNORMAL USE**
- **DAMAGE TO COVERS CAUSED BY CUTS, BURNS, OR ABUSE**

NOTICE OF EXCLUSION FOR VINYL "PINKING"

The warranty does not cover "pink staining" of upholstery products due to the unknown causes of pink staining throughout the marine industry. Pink stain is a by-product of a specific type of bacterial micro-organism that may be introduced to our Marine Grade Vinyl product by adjacent boat components and cannot be completely eliminated.

The Wise Company, Inc. makes no other express warranty and offers no remedy except herein described. The Wise Company, Inc. disclaims any liabilities for incidental or consequential damages resulting from breach of any express or implied warranty with respect to the Wise Co. seating product covered by this warranty. All other warranties express, implied or statutory including implied warranties of fitness for a particular purpose are limited to the period of this warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages. So the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

Failure to give prompt, written notice within thirty (30) days of the discovery of any defect in material or workmanship which occurs within the warranty period will void this warranty. Send such notification to:
